69-06-01-02. Procedure for public hearings.

1. **General hearings.** A general hearing shall be held prior to the adoption of, or a substantial or material modification to, the criteria, a substantial or material modification or addition to these rules, and the revocation or suspension of a certificate or permit. Notice of a general hearing shall be given by the commission at least twenty days prior to the hearing by publication in the official newspaper of the county where the hearing will be held, in the official newspaper of all counties in which any part of an affected facility is located, and if it is a hearing on the adoption of, or a substantial or material modification or addition to, the criteria or these rules, in all of the state daily newspapers.

2. **Application hearings.** One or more public hearings shall be held on an application for a certificate or a permit in each county in which any part of the site, corridor, or route is proposed to be located; provided, that the commission by order may consolidate the county hearings. The notice of a hearing on an application for a certificate of corridor compatibility for a transmission facility shall include a map of the appropriate county depicting the proposed corridor and study area. The notice of a hearing on an application for a route permit shall include a map of the appropriate county depicting the designated corridor and the location of the proposed route and any alternative routes. The maps shall be of a size, style, and legend as specified by the commission. Notice of each hearing shall be given by the commission at least twenty days prior to the hearing, as follows:
- a. By publication in the official newspaper of each county in which any part of the site, corridor, or route is proposed to be located, whether the hearings are consolidated or not, and in such other newspapers that the commission may determine to be appropriate.
 - b. By mail to the following persons in each county in which any part of the site, corridor, or route is proposed to be located:
 - (1) The chairman of the board of county commissioners.
 - (2) The county auditor.
 - (3) The chief executive officer of each city in the county on an application for a certificate for an energy conversion facility.
 - (4) The chief executive officer of each city within a corridor on an application for a certificate or permit for a transmission facility.
 - c. By mail to any state or federal agency authorized to issue a permit required for the construction or operation of the facility.
 - d. By mail to all parties.
 - e. By mail to the state senators and representatives of each legislative district in which any part of the site, corridor, or route is proposed to be located.
 - f. By publication as provided in subdivision a on each city in the county outside of the proposed corridor.
3. **Transfer and waiver hearings.** The commission, upon determination that an application for the transfer of a certificate or permit or an application for a waiver of procedures and time schedules is complete, shall publish a notice of opportunity for a public hearing, or upon its own motion shall publish a notice of hearing, in the official newspaper of

each county in which any part of the site, corridor, or route is located or proposed to be located. A public hearing shall be held on an application if, either within twenty days following the publication of a notice of opportunity any interested person requests and demonstrates good cause for a public hearing, or the commission determines upon its own motion that there is good cause for a public hearing. Notice of a public hearing shall be given by the commission at least twenty days prior to the hearing by publication in the official newspaper of each county in which the site, corridor, or route is located or proposed to be located.
